PLANT BASED WORLD EXPO EUROPE

Unlike any other trade event, [Plant Based World Europe](#) is 100% focused on plant-based products, bringing together the biggest and best product innovations in the market. It attracts an audience of influencers and buyers from retail, catering, hospitality, food service, the public sector, distribution and wholesale.

The event includes:

- [Hundreds of leading international plant-based suppliers](#)
- Culinary Demonstrations
- Invite-only Conference Sessions
- Sessions in the Learning Garden Theatre
- Plant Based Awards Ceremony

CONFERENCE OVERVIEW

FOR KEY BUYERS AND SUPPLIERS OF PLANT-BASED PRODUCTS

The two-day program, attended by our key buyer audience, is designed to inform buyers and suppliers of plant-based products across retail and food service about the latest consumer trends and business opportunities.

Session topics will include:

- Latest consumer trends, data, and research
- Leading retailers and foodservice providers
- Product innovations and NPD solutions
- Networking with peers
- Advice on growing business sustainably

Full session details will be available in due course
