

# SCHOOL & COLLEGE BUILDING EXPO

April 12 - 13, 2011 • Navy Pier • Chicago

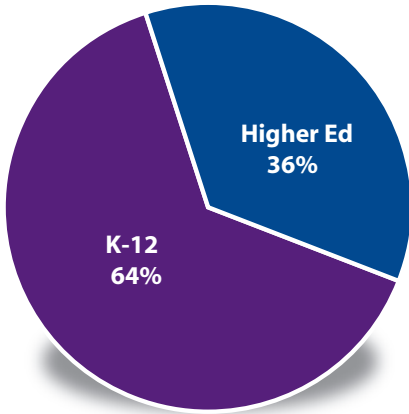

[www.scbexpo.com](http://www.scbexpo.com)

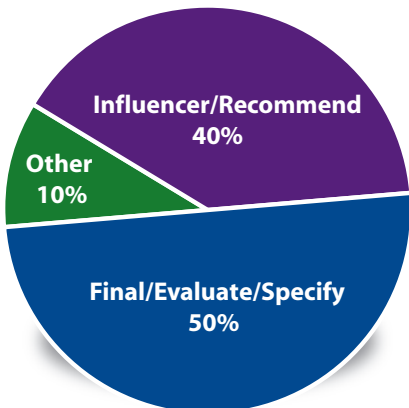

Who Attends?

Public vs. Private

K-12 Facilities vs. Higher Ed Facilities

Attendee's Buying Power

## Get Seen, Get Specified, Get Business

School & College Building Expo is the premier national show focused on the people who select, specify and buy the products, materials and furnishings for school and university new construction projects.

### Attendees

The attendees are the decision makers and purchasers who plan, design, construct and maintain the public and private educational facilities of tomorrow. Titles include:

- |                       |                               |
|-----------------------|-------------------------------|
| Architect/Engineer    | Manager/Director              |
| Building/Grounds      | Project Manager               |
| Business/Finance      | President/Chief Administrator |
| Contractor/Builder    | Purchaser/Procurement         |
| Facilities Management | School Board President        |
| Interior Designer     | Superintendent                |

### Who Should Exhibit?

Companies that provide products, services, sustainable solutions for K-12 and Higher Education Institutions. Product Categories Include:
