Alternative Shipping Methods

If you are NOT shipping your freight with AFC Logistics, here are the alternative shipping methods.

Inbound Shipping

- **Hand Carry**

- **From Personally Owned Vehicle**

- Exhibitors are allowed to carry in freight from their personally owned vehicle through a [predetermined freight door](#). Small luggage carriers are the only wheeled vehicles permitted.

- **From Personally Owned Vehicle That Requires Dock Time**

- Qualified personally owned loading trucks can offload freight at the loading docks of the convention center. Truck must arrive during the targeted move-in period (Thursday, April 21st, 8:00 AM - 4:00 PM). Notify Lou Mancini 203-371-6322 or lou@jdevents.com if you will require dock time. There is a schedule for dock usage.

- **Ship Direct To Hotel** - Check [Hotel Receiving Rates](#)!

Exhibitors may ship *small* parcel freight to the Renaissance Schaumburg Hotel using FedEx/UPS/USPS ([Hotel charges will apply](#)). Large parcel freight and independent carriers are NOT allowed and will be turned away by the hotel. **The hotel and AXPONA assume no responsibility for damaged or lost freight.
